Expectations for Student Use of Google Meet

If students are quarantined, they are expected to participate in Google Meet and complete daily assignments in Google Classroom. It is their responsibility to log in and participate daily. Participation is only allowed through STPSB accounts; no personal accounts are allowed.

Before Beginning Google Meet Streams:

- Make sure you are sitting at a designated well-lit workspace.
- Workspace should be free of distractions.
- Make sure you have pen and paper to take notes.
- Mute the device by clicking the microphone button.
- Be engaged.

During Virtual Instruction:

- Refrain from eating or drinking due to the use of an electronic device.
- Make sure no music or loud noises can be heard.
- Students should be clearly seen on the device. No other individuals or pets.
- Use of other electronic devices, filming, or posting of Google Meet to social media is prohibited.
- Unmute microphone when the teacher asks you to talk and mute it again when done speaking.
- School rules and expectations still apply even though you are not in our school building.
- Do not share your screen unless instructed by the teacher.
- Do not use the chat feature for private and off topic conversations.
- Uniforms are not required. (Must be school appropriate attire)

Discipline Policy:

Normal behavior guidelines are extended into the virtual classroom. Discipline policies will be followed for minor and major infractions. A teacher will exit a student from Google Meet due to not following the discipline policy and expectations.

Minor:

- Warning
- Administrative Detention
- Suspension

Major:

- Referrals sent to the office
