Jessica Venezia, Asst. Principal

Student ID Policy 2018-2019

Students in grades 6th - 8th will have student IDs. They will be used for service in the cafeteria, library, as well as identification of students on our school campus.

1. Students will receive an ID at the opening of school without their photo to use until school pictures are taken and a new picture ID is given. If the original ID given out at the beginning of the year is returned when they are given their new picture ID, the student will receive a Free Temporary ID Pass to be used at any time throughout the year.
2. If a student does not have their ID in the morning, then they should do one of the following:
 - a. Come to the table set up outside the cafeteria door and buy a Temporary ID for \$1.00.
 - b. If a student reaches a \$3 temporary ID balance, then they will receive a 30-minute detention after school on the following Wednesday.
 - c. If given a detention, the student has until the morning of the assigned detention to remove their balance to the table outside of the cafeteria, and the detention will be removed.
 - d. If the balance is not received prior to 1st hour on the day of the assigned detention, the detention stands.
3. If they cannot find their ID, then they will have to purchase a new one for \$5.00 in the front office.
4. IDs cannot be defaced in any manner. This includes, but is not limited to, placing stickers on the ID, marking out parts of the ID with pen or permanent marker, or intentionally breaking the ID. If the ID is damaged, a new one will have to be purchased at the \$5.00 price.
5. IDs will be worn on either the collar of the student's uniform shirt or on an appropriate lanyard at all times on school campus. IDs must be worn on the outermost garment.
6. If a student fails to obtain an ID prior to 1st hour, then they will report to the front office where a Temporary ID and a 30-minute detention will be issued. This detention cannot be removed by paying a dollar since the student failed to follow the ID policy.
7. If the ID is lost during the school day, then students will report to the front office to purchase a temporary one for \$1.00.

I have read and understand the student ID policy presented above.
